Peer consultation log

Peer consultation: means supervision and consultation in individual or group format, for the purposes of professional development and support in the practice of psychology and includes a critically reflective focus on the practitioner’s own practice. Time spent focusing on another’s practice within group or individual consultations can be counted as active CPD.

Date	Focus of Peer Consultation (topic, issue, problem)	Colleagues involved (who you consulted)	Total Duration	Duration focused on own practice	Signature(s) of colleagues

Total Minutes	Peer Consult Minutes
